

1. Admissions Appeal Form

This form should be completed if you wish to appeal against the decision of the admissions authority not to offer your child a place. Before filling in this form, you must have received written notification that your child has not been offered a place. Parents wishing to appeal against non-admittance to any other schools should contact those schools directly.

Please complete this form and return to enquiries@mountstreet.anthemtrust.uk

Appeals will be heard within 40 school days of the deadline for block appeals, or 30 school days for in year appeals. Please inform the school your child has been allocated if you have a pending appeal and you do not wish to start until the result is known

Once returned you will receive a written acknowledgement of this form within 5 working days. If you do not receive this, please contact enquiries@mountstreet.anthemtrust.uk

2. Type of application you're appealing

There are two types of school admission - main round admissions and in-year admissions.

1) Main round admissions

Main round admissions refer to the 'main intake' of children who are due to start school in September. This applies to children who are aged 4 or 5 and ready to start primary school, and children in year 6 who are ready to start secondary school. Applications open in September each year and close on 15 January. Any applications after this date will be classed as Late application.

2) In-year admissions

In-year admissions refer to when children are applying for a school place to start at a school at a time other than the September start; outside of the 'main intake' of pupils, including:

Children who are out of school and require an immediate school place.

Children who are currently attending a school but want to transfer to a different school

Please select whether you're appealing a main round or in-year application
